BOSPHODERM

CLINICAL SKIN SCIENCE

DERMOCOSMETIC CARE, DESIGNED FOR DAILY LIFE.

Targeted routines. Clear product stories. A coherent portfolio for international markets.

2026 • MADE IN TÜRKİYE

A focused dermocosmetic portfolio from Türkiye

BOSPHODERM combines familiar care formats with a coherent, clinically inspired identity built for international product portfolios.

98-product breadth	Face, body, hair, sun and oral-care formats in one coordinated portfolio.
Trust-led identity	Clear product hierarchy, restrained claims and consistent clinical-premium labels.
Portfolio flexibility	Select product groups and pack sizes around each destination market.
Market confirmation	Final INCI, claims, SPF files, languages and pack details are validated before launch.

A complete care system at a glance
